

**Benevolence:
Casting and Igniting A Vision for Your City
(The San Francisco Story)**

**Ron Hooks, Ph.D., and Steve Wright, Co-Pastors
Providence Ministries, San Francisco, CA**

I. WHO SHOULD ATTEND?

- A. Those interested in Urban Missions, Inner-City church planting, or . . .
- B. Those who want to establish an outreach (prison, clothing, food, in-patient care, schools, etc.) Ministry from their mother church. Need insight and ideas, or . . .
- C. Those who would like to network with an established ministry (or just want to know more about the work in San Francisco).

II. WHAT WILL YOU GET?

- A. You will receive a comprehensive guidebook that we developed with World Impact of Los Angeles, California. It will save you an enormous amount of time in establishing an effective outreach of any kind. It is the nuts-and-bolts manual we wished we had when we started in 1994.
- B. We will offer you a verbal overview of do's and don'ts of benevolence ministries and outreach.
- C. We will give you the Biblical mandate for such missionary activity. Outreach is a tremendous resource that causes church growth and opens the way for further blessings from the Lord.
- D. We will covenant with you any way that we can to help get your effort off the ground. We will also provide mission information for your youth groups, and so forth, to join us in the future.
