

Care Ministries in Metropolitan Areas

Developing your Network

Frank Allen, Norfolk, VA

I. Specialize

- A. Focus on what you do best
- B. Develop partners for the rest
- C. Do what you do best - for other agencies too

II. The Elements of Partnership

- A. Trust
- B. Mutually Beneficial “Win-Win”
- C. Passing Information

III. Sharing

- A. Resources
- B. Network
- C. Fame

Conclusion: There are many others who feel as passionately as you do about caring for people. By partnering you will give them an opportunity to fulfill their vision and collaborate with the greater community of care you will broaden your opportunity for success and create a strong network that will make your job easier and your success greater.
